Preston Board of Education

PREAMBLE

“The Board of Directors of Preston Community School District hereinafter referred to as the “Board” and the Preston Community Education Association hereinafter referred to as the “Association” recognize that the aim of the public schools is to provide a quality education program for children and youth of the School District. The parties further recognize that attainment of this educational objective is a joint responsibility of the Board, the Administrative and supervisory staff, the professional teaching personnel of the District, the parents of the students and the community at large.”

Whereas the parties have reached certain understandings, which they desire to confirm in this Agreement pursuant to the Public Employment Relations Act of 1974, it is agreed as follows:

ARTICLE 1 RECOGNITION

The Board of Directors of the Preston Community School District, hereinafter referred to as the "Board", recognizes the Preston Community Education Association, hereinafter referred to as the "Association", as the sole and exclusive negotiating agent for:

- A. All full-time and part-time certified teachers. These teachers must be contracted for at least four (4) months.
- B. Certified Special Education and Remedial teachers. These teachers must be contracted for at least four (4) months.
- C. Certified Guidance Counselors.
- D. Certified Librarians.
- E. Nurse.

Hereinafter referred to as employees.

Employees with a continuing contract are deemed to be contracted for at least four (4) months.

ARTICLE 2 GRIEVANCE PROCEDURE

SECTION 1

A grievance shall mean a claim by a grievant that there has been an alleged violation, misinterpretation, or a misapplication of the terms of this Agreement.

SECTION 2

- A. Every employee covered by this Agreement and/or the Association shall have the right to present grievances in accordance with these procedures or have the Association represent the employee.
- B. The failure of an employee or the Association to act on any grievance within the prescribed time limits will act, as bar to any further appeal and an administrator's failure to give a decision within the time limits, shall permit the grievant to proceed to the next step. The time limits however may be extended by mutual agreement.
- C. It is agreed that any Investigation or other handling or processing of any grievance by the grieving employee or the Association shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the staff.

SECTION 3

A. FIRST STEP

An attempt shall be made to resolve any grievance in an informal, verbal discussion between complainant and his/her Curriculum Director, but such complaint must be brought forward within twenty (20) calendar days of the occurrence.

B. SECOND STEP

If the grievance cannot be resolved informally, the aggrieved employee and/or the Association shall file the grievance in writing and at a mutually agreeable time, discuss the matter with the Curriculum Director. The written grievance shall state the nature of the grievance, the specific clause or clauses of the grievance and the remedy requested. The filing of the formal, written grievance at the second step must be within seven (7) calendar days from the discussion of the informal hearing of the grievance. The Curriculum Director shall make a decision on the grievance and communicate it in writing to the employee, the Association and the Superintendent within seven (7) calendar days after receipt of the grievance. However, school holidays and vacations shall not be considered as "calendar days".

C. THIRD STEP

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee and/or the Association shall file, within seven (7) calendar days of the Curriculum Director's written decision at the second step, a copy of the grievance with the Superintendent. Within twelve (12) calendar days after such written grievance is filed, the aggrieved and the Superintendent or his/her designee shall meet to resolve the grievance. The Superintendent or his/her designee shall file an answer within twelve (12) calendar days of the third step grievance meeting and communicate it in writing to the employee and the Curriculum Director.

D. FOURTH STEP

If the grievance is not resolved satisfactorily at third step, there shall be available a fourth step of impartial binding arbitration. The Association may submit in writing a request on behalf of the Association and the grieving employee to the Superintendent, within thirty (30) days from receipt of the Step Four answer to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within four (4) dates after said notice is given. If the two parties fail to reach agreement on an arbitrator within four (4) days, the Public Employment Relations Board will be requested to provide a list of five (5) arbitrators. Each of the two parties will alternately strike one name at a time from the list until only one shall remain. The remaining name shall be the arbitrator. The party striking first will be determined by random selection.

Expenses of the arbitrator's services shall be borne equally by the School District and the Association. The decision of the arbitrator regarding a grievance shall be submitted in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the

parties agree to an extension. The decision of the arbitrator shall be binding on the parties. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising hereunder.

SECTION 4

All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the Grievant, and their designated or selected representatives heretofore referred to in this Article.

ARTICLE 3 ASSOCIATION RIGHTS

- A. The Association and its members shall have the right to make use of school buildings and facilities for Association use at all reasonable hours for meetings and any equipment including typewriters, mimeographing machines, other duplicating equipment, calculating machines, and all types of audio visual equipment when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incidental to such use. The principal of the building shall be notified of the time and place of all meetings at least twenty-four (24) hours in advance of the meeting.

For professional conference expenses, such as registration, lodging, travel, and meals, employees will provide to the building principal receipts for expenses claimed. Requests for staff development workshops must follow the school district's CSIP goals.

The Board of Education agrees to provide a pool of at least one thousand (\$1,000) dollars to be paid to employees for curriculum development. The curriculum stipend will be determined by a committee consisting of the curriculum director, building principal, and two teachers.

ARTICLE 7 LUNCH PERIOD

Employees shall have a daily, uninterrupted, duty-free lunch period equal to that of their students.

ARTICLE 8 IMPROVEMENT OF INSTRUCTION

A. REQUEST OF OBSERVATION

Upon his/her request the employee will be granted a minimum of two (2) observations per school year of no less than thirty (30) minutes each. These observations shall be conducted solely for the purpose of improvement of professional performance and as a means of assuring the competent educational techniques.

B. CONFERENCES

Prior to the time of observation the teacher and the principal shall meet to mutually agree upon a time for the observation, to discuss methods to be used during the observation, and to discuss areas of concern during the observation.

Within three (3) school days after the observation, the teacher and the principal shall meet to discuss the observation. The employee shall be presented with a written observation report containing the specific area where improvement could be obtained. Any commendations would be included in this report and a copy given to employee signed by the Administrator.

ARTICLE 9 IN-SERVICE

All in-services shall be planned by an In-Service committee. The committee shall be composed of three (3) persons appointed by the Board and three (3) teachers appointed by the Association. If the committee fails to reach a decision the decision of the Superintendent shall be final. The current contract is based upon 190 days. Any days added to the contract beyond the 190 days shall be paid at the per diem rate.

ARTICLE 10 SUMMER SCHOOL POSITIONS

- A. All summer school teaching jobs/openings shall be posted in a prominent place in the teacher workroom of the high school and the outer office of the elementary building.
- B. Positions shall be awarded based upon certification and seniority. (The most senior certified employee should be awarded the position.)
- C. Each year when the District determines a salary or per diem for summer school teaching the same shall be distributed as an addendum to the Contract.

ARTICLE 11 STAFF REDUCTION

A. COVERAGE

All employees under this Agreement.

B. STAFF REDUCTION POLICY

When staff reduction is required this reduction will be in grades K-12 by certification. The following procedures will be used:

Step 1. Normal attrition

Step 2. Staff members with emergency and/or temporary certification shall be released second unless needed to maintain a curriculum area.

Step 3. The remaining staff reduction will be determined by seniority except to maintain a curriculum area. Those with least seniority will be laid-off first. Seniority shall mean continuing length of service to the Preston Community School District.

Step 4. In cases where seniority is equal, then teachers with the lower degree level of training, as determined by the numbers of hours shown on the transcripts and approved by the Board, shall be reduced next.

Step 5. If a tie still exists after application of all the preceding steps the final decision shall be at the discretion of the Board and Administration.

C. NOTIFICATION

The staff member or members who will not be issued a contract shall be notified in writing no later than April 30th.

D. RECALL

- 1. Any employee laid off pursuant to this policy shall have recall rights to any position he/she is qualified for one (1) year from the effective date of his/her lay-off. He/she shall be recalled in reverse order of lay-off.

2. The Superintendent or his/her designee and the Association shall be kept informed by the terminated employee of current address, telephone number, and interest in recall.
3. Any employee re-employed by exercising his/her recall rights shall receive all previous benefits as well as being restored to placement on the salary schedule with seniority as at the time of lay-off.
4. The employer shall notify each employee laid off pursuant to this Agreement who is eligible for any vacant positions, which may occur. Such notices shall be given by certified mail, return receipt requested, with a copy to the Association. The Association shall also be informed of vacancies.
5. The employer shall for five (5) work days seek to contact the employee who was laid-off. If the employer is unable to locate said employee the Association shall be notified and the Association shall have an additional five (5) days to make contact with the laid-off employee. If contact is still not made the position shall be considered open and all recall rights terminated. An employee who is recalled shall have five (5) workdays from the time the recall notice is received to either accept or reject the available position. Failure to respond in the above time limit shall be interpreted as a rejection of the available positions and all other rights covered in this Agreement. Acceptance of the position shall be delivered in writing to the Superintendent or his/her designee, or shall be sent by certified mail, return receipt requested. As used in this paragraph workdays means Monday through Friday except holidays.
6. There will be no recall rights for temporarily employed persons. "Temporarily" shall mean employed for less than one (1) school year or hired for replacement of a current employee on leave. This shall not include employees who have been recalled.
7. Upon recall to less than a full-time position any former full-time employee shall have the right to refuse the recall. Refusal of the recall will not terminate the employee's recall rights. So there is no misunderstanding, the parties agree that this provision does not extend an employee's recall rights to a second (2) year.
8. Employees with recall right may purchase group insurance available to other employees at their own expense.
9. Any employee recalled to a position that the employee has not taught within the past five (5) years may be required to successfully complete up to nine (9) semester hours of course work within the two (2) years following recall.

E. CURRICULUM AREA SHALL NOT INCLUDE EXTRA-DUTIES.

ARTICLE 12

1. The Association will be responsible for informing their members of this means of dues payment.
2. Association members must present to the Board or its Secretary a signed authorization form allowing the dues deduction by October 15th.
3. Association members may revoke their dues deduction by submitting a written request to the Board or its Secretary and filing a copy with the Association Treasurer no later than thirty (30) days before any authorized deduction date.
4. The dues will be deducted in one-twelfth (1/12th) installments twice a month during the months of November through April. Dues deduction will be payable to the Association Treasurer within ten (10) days after payday.
5. This dues deduction system shall be limited to five (5) individual associations: the PCEA, ISEA, NEA, PAC and JDC.
6. This dues deduction system shall be limited to only regular Association dues.
7. The Association agrees to indemnify and hold harmless the Board, each individual Board member, and all administrators against any and all claims, costs, suits or other forms of liability and all court costs arising out of the application of the provisions in the Agreement between the parties for dues deduction.

**2007-2008 PHASE II FUNDING
PCEA AND THE PRESTON BOARD OF EDUCATION**

The undersigned parties do hereby agree to distribute Preston's share of the State's Phase II funding in the following manner:

- A. Each teacher on staff as of September 1, 2007, for the 2007-2008 school year, will receive one (1) share for each year of teaching experience as indicated on the current salary schedule. The number of years experience shall not exceed the number of steps on the lane of the salary schedule in which the teacher is currently positioned. The same teachers will also receive one (1) share for each horizontal (educational lane) move made on the current salary schedule before September 1, 2007.
- B. The total number of shares is to be divided into the available PHASE II funds after the District's cost of IPERS and FICA is deducted. This will determine the value of each share. This value will then be multiplied by the teacher's total number of shares to determine individual allotments.
- C. Procedure for payment will be as follows: When the payment for Phase II is received by the school the amount will be shown to a representative of the PCEA for verification. IPERS and FICA will be calculated out and the remainder divided by the procedure defined in Sections A and B. After the allotment for each teacher is determined, separate quarterly checks will be written and distributed by the next regular pay period.
- D. A representative of the PCEA and the Preston Administration/Board will meet as soon as possible after September 1, 2007 to determine the actual number of shares allotted for each employed teacher.
